"Don". Keep up the good work in sports. We should go all the way in football next year and we are counting on some of you underclassmen. Take it easy on the girls and keep out of trouble. Have loads of fun your junior and score six TD, average 12 points a game in basketball and run the hurdles in 14.7, and get all A's on your report Card.

The S.R.A.'s first big project of the year was under the direction of Jim Byington's Homecoming Committee. The Homecoming was very colorful with all the beautiful floats. The night after the homecoming game, Jack Braun furnished music for the successful dance held in the school gym.

The S.R.A. has been very active in the creation of a "teen center." A committee has been set up to seek a building in which the students may spend their leisure time. The project is well on its way to being fulfilled.

During January, we were engaged in the "Teens Against Polio" drive. Out of all the schools in the Lansing area, Okemos came in second. The S.R.A. sponsored slave day, fine day, ugly man contest, car-wash, stunts at a pep rally, and a Varsity Club-Faculty basketball game.

The S.R.A. has also sponsored two other dances this year: "The Get Acquainted Capers" and the polio dance.

Other events include Shutter-bug Day, Hobo Day, Dress-Up Day, and a talent show.

Varsity Football

This year Okemos won 5 and lost 3 for the season! In league play we had a 4 won, 2 lost record. The team was led by All-County choices, Captain Case Hoonhout and Bob Zuver.

In the opening game Case Hoonhout led the way to a 9-20 victory, with 130 yards in 13 carries.

We had a rough time with Mason, dropping the decision 13 to 6.

The Haslett game ended in a close, hard-fought finish with the decision going to the Vikings, 14 to 13. Sophomore Mike Largent and Junior Bob Zuver both played outstanding games.

We fared well in the game with Fowlerville, downing them 13 to 6.

In the Stockbridge game we were ahead at the half but Stockbridge went on to win the game 24 to 19. We were rewarded for our efforts as we were the only team to score against Stockbridge all season.

The Leslie game wasn't in the bag until after two touchdown tallies giving us a final score of 19 to 0.

In the Dansville game Mike Largent paced the Chiefs to a 28-0 victory. Doug Nelson and Case Hoonhout also added touchdowns.

Case Hoonhout scored two touchdowns against Williamston and Ron Webster tackled a Williamston back in the end zone as the Chiefs rolled over Williamston 15 to 0.

Reserve Football

The Okemos Reserves weren't too successful in the first part of the season, but came on strongly to finish with a 3 won, and 3 lost, and 1 tie record.
In the first game with Leslie, Okemos showed offensive strength, but little defensive. We then proceeded to lose 3 out of the next 4 games. In the Haslett game we were behind at the half 12 to 6, but we had a great second half led by Ed Lantz. In the Williamston game we were behind 18 to 0 at the half. In the same half Dave Weber led a great comeback and we took the game in the final 11 seconds 19 to 18. Many of these boys were freshmen. The team was coached by Mr. Vanderveer and Mr. Richey.

Varsity Basketball

The Okemos Chiefs jumped off to a good start this year winning three of their first four games. The defeat came at the hands of a powerful Stockbridge quintet, 56-43. The victories were convincing ones over Mason, Dansville, and Williamston.

In the Greater Lansing Christmas Tourney, the chiefs enjoyed their best success in four years. The Okemos "5" won two out of three to cop the Consolation Bracket of the tourney. Highlights of the tournament were a win over Holt, 41-39, the first in eight years, and the naming of Ted Warner to the all tournament team.

The top game of the year was probably the game with Haslett. Winning this game put Okemos into a three-way tie for first place in the Ingham County League. The game was won on fouls committed in the last minute of the game. The final score was Haslett 45, Okemos 48.

The Junior Varsity basketball team started things out on the right foot with a 38 to 30 victory over Mason. We won the next two games without too much trouble from Stockbridge and Dansville. In the next game we tangled with a hot Williamston team and came out with a 51 to 43 victory and Pat Elmquist the leading scorer. We won from Leslie easily. The next game was with Haslett for first place in the league. We came out on top 37 to 27. We won from Fowlerville and then lost 40 to 30 to a Dansville team we had beaten previously. We got back on the right track with a 54 to 37 victory over Stockbridge. In the Williamston game we had another hot fight but we managed a 56 to 46 decision. Jim Breckenfeld contributed 36 points.

The players who saw the most action were Pat Elmquist, who went up to the varsity in midseason, Don Kiger, Jim Breckenfeld, Aldan Stampfly, Dave Nelson, Dan Hickey, an excellent rebounder, John Shick, Bob Yeoman, and Mike Straud. We have lost one game, and with four games remaining, hope to win the mythical reserve championship.

Varsity Baseball

Coach Kiley's baseball team ended the season with an even up, three won and three lost record. The last game played against Williamston decided who was to receive the All-Sports Trophy. Overpowering Williamston with their best hitting of the year, the Chiefs showed what they could do when the chips were down. The team was led by the pitching of Jim Kreider and Chuck Clausen. Other starters on the team were Captain Tony Brocci, Ted Warner, Gary Butterwick, Leroy Eicher, Joe Luttrell, and Bob Cooper.

Last year the track team had an extremely successful season winning a major share of their meets. Outstanding besides these were Kim Wilkins, Tony Brocci, Dave Perfect, Ted Warner, Case Hoonhout, Max Creaser, Jerry Husby, and Doug Nelson.

Cross country had its first year in Okemos this year, and we had a fairly successful season. Outstanding on the team was Howard Hatch whose contributions gave us a two won, two lost record.

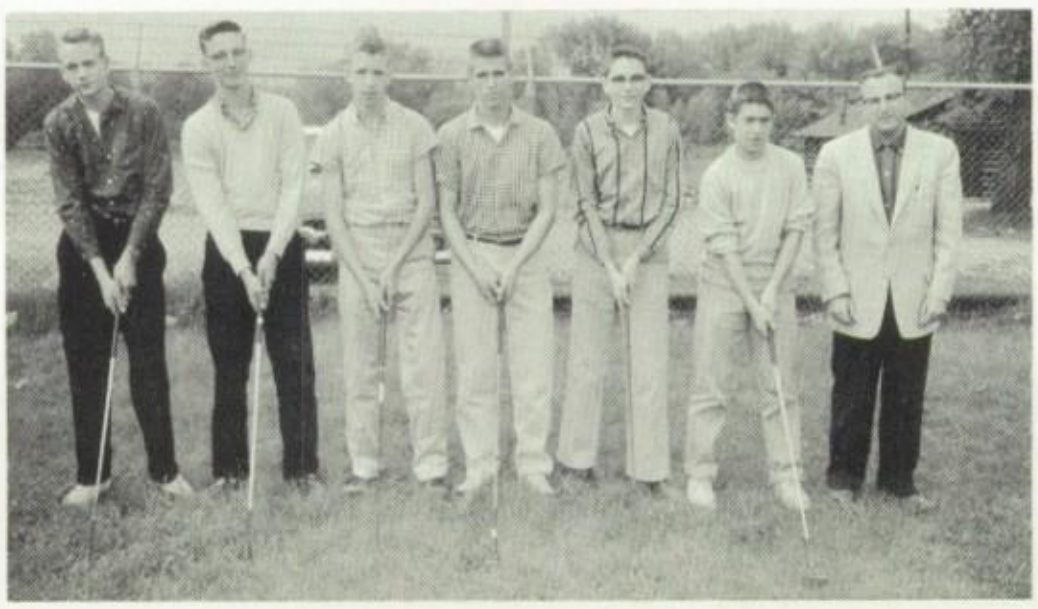
Wrestling

Wrestling is making its first showing in Okemos this year under the skillful training of Coach Webster. Our matches have been dropped to well-seasoned teams such as Williamston and the School for the Blind. With the experience gained in our first matches we hope to close the season with wins over some of our opponents, B.V.S., Williamston, and Nashville.

Golf



Golf—Bill Johnson, Fred Hoffecker, Ted Warner, Dave Perfect, Dave Davidson, Shep Richard, Coach Baker.

Golf again entered the Okemos rolls this year. The team played a schedule of four matches, winning two and losing two. They split two matches with Resurrection winning one and losing one. They dropped their third match to East Lansing by a single stroke. Then they went on to close the season with a win over Holt.

Molecules

With mixed emotions the Senior Class, numbering fifty-four, will leave the portals of Okemos High in June of '58. Leaving behind the happiest years of their youth, they will have fond remembrances of helpful teachers and laughing classmates.

In the fall of 1953 seventy-two freshmen started their high school years under the leadership of President, Bob Butcher; Vice-President, Alan Harvey; Secretary, Carol Hogle; and Treasurer, Nancy Hull. Sponsors were Miss Schram and Mrs. Fisler. The group were guests of the Sophomores at a reception and in the spring had a bohemian for the mothers and fathers. The class treasury was increased by selling refreshments at half of the sport events.

As Sophomores, officers were President, Bob Butcher; Vice-President, David Cardone; Secretary, Lynne Stuerhof; and Treasurer, Nancy Hull. Sponsors were Miss Schram and Mrs. Reed. A busy year was in store again. Refreshments were sold at half of the athletic events. This year the annual semi-formal Christmas dance, "Silver Bells", was given for the first time. "Bon Voyage" was the last all-high party of the year and was given by this class.

The Junior year officers were President, Bob Butcher; Vice-President, Roger Shull; Secretary, Sue Telling; and Treasurer, Nancy Hull. Sponsors for the year were Mrs. Byington and Mrs. Reed. As a money making project for the year they sold ice cream on Tuesdays and Thursdays. In the spring the class presented "The Remarkable Incident at Carson's Corners" under the direction of Miss Schram. Several social events were sponsored by the group. Among them was the Christmas semi-formal, "Silver Bells". The climax of the junior year was the Junior-Senior Prom with the theme, "Aloha" used throughout the evening's festivities.

With graduation just one year's work away they elected as officers President, Ted Warner; Vice-President, Doug Nelson; Secretary, Sue Telling; and Treasurer, Kay Bratzler. Sponsors were Mrs. Clemow and Mr. Ekstrom. The last year was a busy one. Starting the social whirl was "Spooks Ball" at Halloween followed immediately by the Senior Play, "The Red House Mystery". Next came the third annual "Silver Bells" dance, which was a great success. With high school years nearing completion the highlight of the Senior activities came when the Seniors were entertained by the Juniors at a Banquet-Prom at the M.S.U. Union. This was an evening never to be forgotten.

Seniors will soon leave classmates and friends to find many new and exciting adventures but forever memories of high school days will linger on.

Neutrons

The Juniors have studied the past, have considered the problems of the present, and are now preparing to face the world of atomic advancement. We need to work so that we may answer the challenge of the future.

Led by president, Joe Luttrell; vice-president, Diane Kelty; secretary, Chuck Stoll; and treasurer, Judy Hulkonen, we have completed an eventful year. Our sponsors, Mrs. Byington, Mrs. Davis, and Mrs. Grinnell, and our S.R.A. representatives, Vicky Shick, Joe Luttrell, and Ron Whitmore, have helped us move forward.

We were well represented in most of the school activities with many Juniors in clubs and sports. Diane Kelty and Mary Madzia were on the varsity cheerleading squad. Christine Ashley represented the Junior Class in the queen's court at the Homecoming game. We have held our own in sports with the help of Chuck Clausen and Bob Zuver in football, and Tom Aaron and Joe Luttrell in basketball.

Our money making projects for the year included selling ice cream during the first semester on Tuesdays and Thursdays and presenting the Junior Play in the spring.

Also in the spring was the Junior Prom which will be long remembered by the Junior Class of '59.

In anticipation we are leaving our Junior year to look forward to a better Senior year.

Protons

The Sophomores have felt that this year has quickly sped by while they have been preparing themselves for this atomically advancing world. The ever changing times have kept us alert and always ready to meet new ideas throughout the year.

The class members have participated in many activities. During homecoming Julie Powell represented our class in the queen's court while our float, sponsored by Decker Realty, placed third.

To help increase our treasury, we sold cokes and candy at the football games and at half of the basketball games.

Many of our boys went out for the different sports in school, while six of our girls were either on the Varsity or Reserve Cheerleading squads.

This year's class was under the leadership of Miss Schram, Mr. Walbridge, and Mr. Webster. Helping the sponsors were the class officers: President, Sandy Hulkonen; Vice-President, Kristin Airola; Secretary, Mary Cardone; and Treasurer, Martha Cardone. Representing our class in the S.R.A. were Mary Wilkins, Jim Breckenfeld, and Gary Roberts.

We have come from the past year with much work and many new experiences and are looking eagerly into the future.

Electrons

This year Okemos High School got a big addition, the "Class of 61". Through the years the "Class of 61" has added pupils until we have 129 in our present enrollment. Only 31 of these pupils were in the kindergarten class here at Okemos. The big job of sponsoring this class was undertaken by Mrs. Kelly, Mrs. Halliday, Mr. Swegles, and Mr. Kapalla. The Freshmen appreciate the fine job they are doing. Representing our class this year in S.R.A. were Jeanne Simmons, Sharon Loudenslager, and Dan Conklin.

The first of our high school activities was the building of our float for Homecoming. Our float didn't place, but we plan to do better next year. Our representative to the Queen's Court was Mary Wagenvoord. Next on the agenda was the Sweetheart Hop, a Valentine dance sponsored by our class.

To carry on the annual tradition we sold cokes and candy at the basketball games.

We are looking forward to the three remaining years of high school which will prepare us to go out to jobs or college in the "Age of the Atom".
